

“Debt Helper” Prototype Screenshots

Access Folder and Open “Debt Helper”:

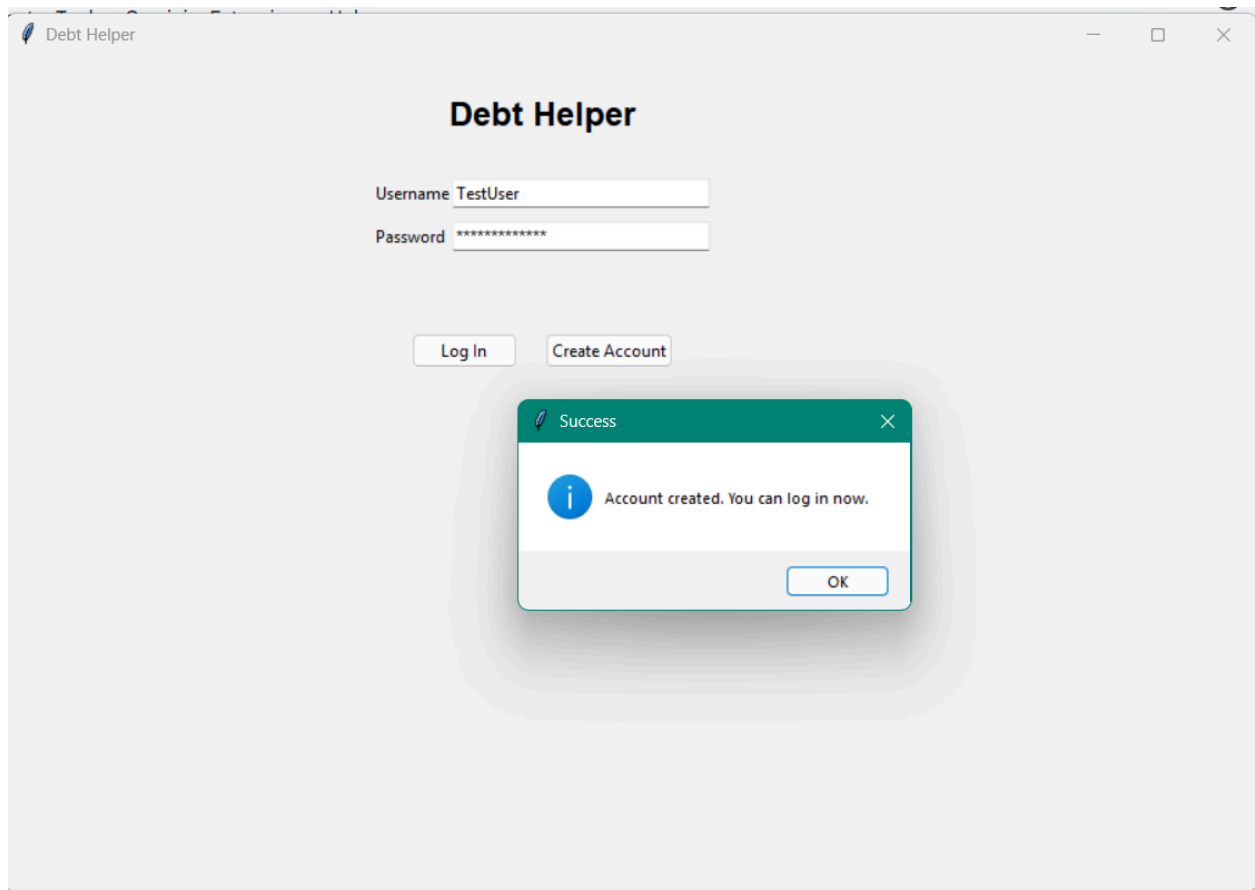

```
Command Prompt - main.py x + v
Microsoft Windows [Version 10.0.26200.8246]
(c) Microsoft Corporation. All rights reserved.

C:\Users\eimaz>cd "C:\Users\eimaz\Downloads\SWE-Debt-Helper-Project-main (3)\SWE-Debt-Helper-Project-main"
C:\Users\eimaz\Downloads\SWE-Debt-Helper-Project-main (3)\SWE-Debt-Helper-Project-main>main.py
```

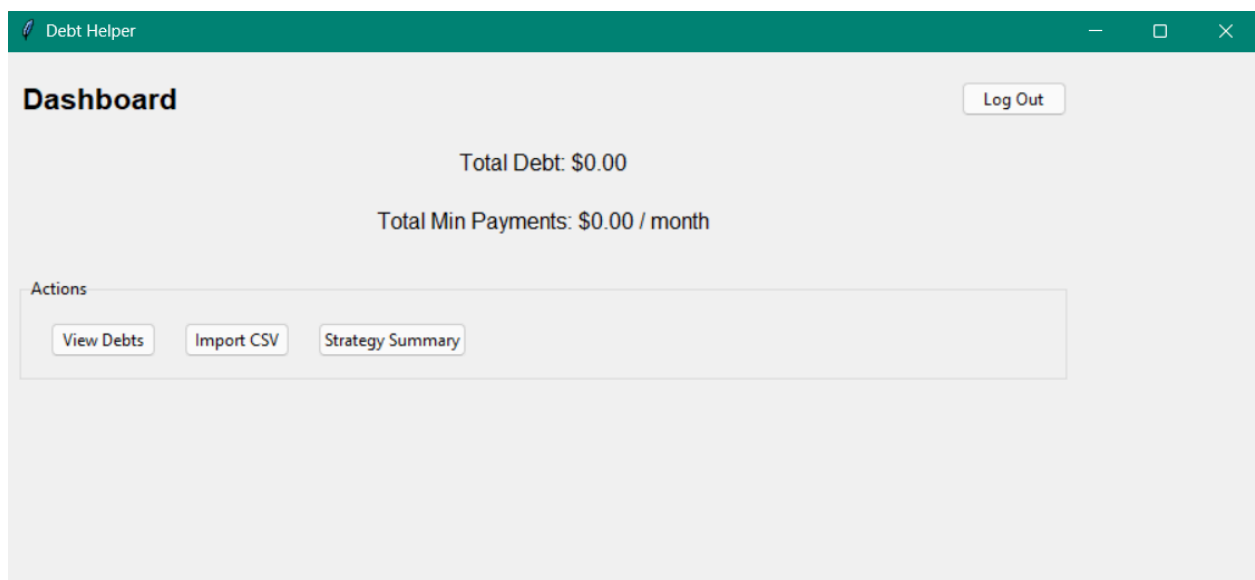

The screenshot shows a web browser window titled "Debt Helper". The page has a light gray background and a teal header bar. In the center, the text "Debt Helper" is displayed in a bold, black font. Below this, there are two input fields: "Username" and "Password". Each field has a small icon to its left and a white input box. Below the input fields, there are two buttons: "Log In" and "Create Account". The "Log In" button is on the left and the "Create Account" button is on the right. Both buttons have a light gray background and a thin black border.

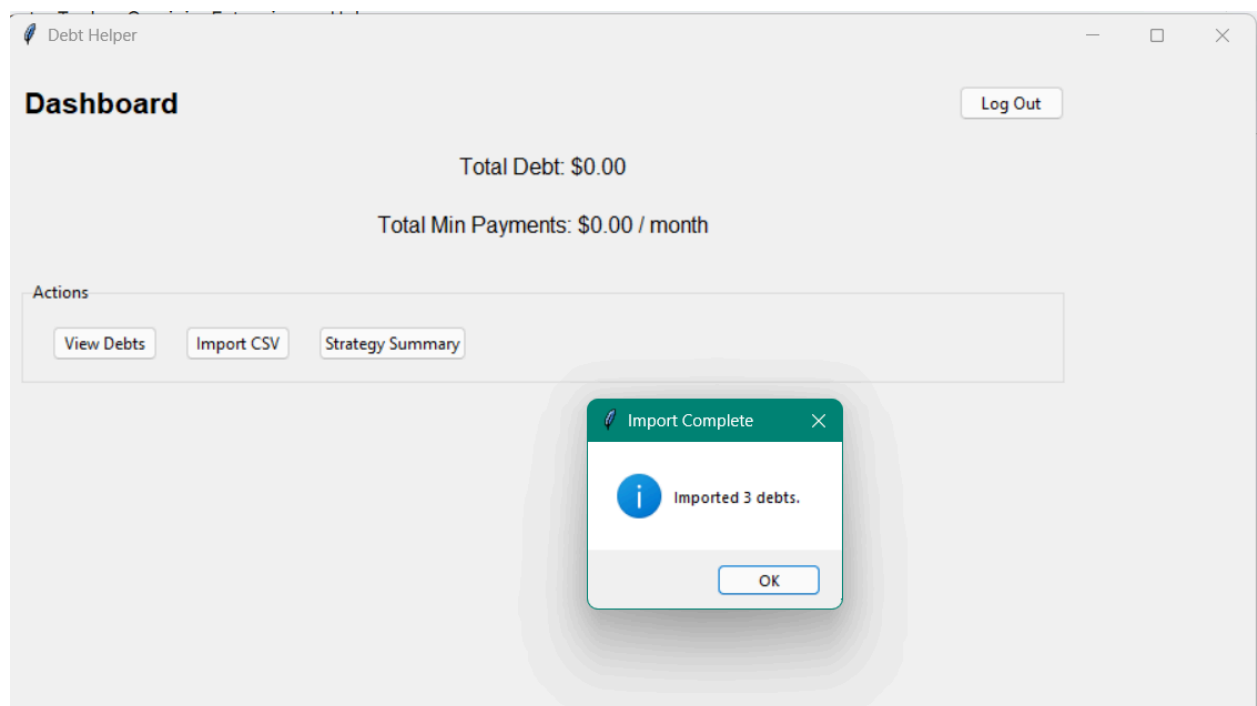

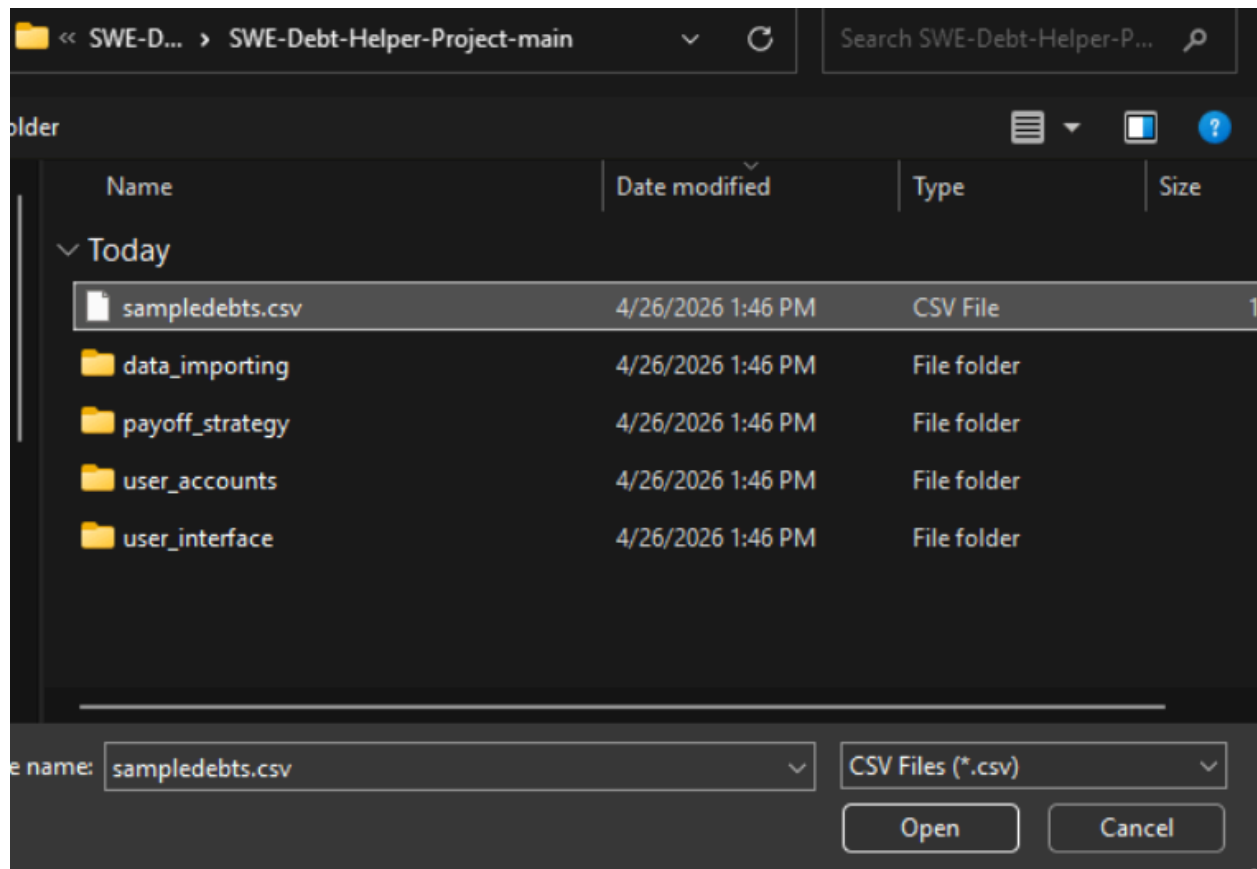

Create Account by filling in a custom username and password, then clicking the “Create Account” button:

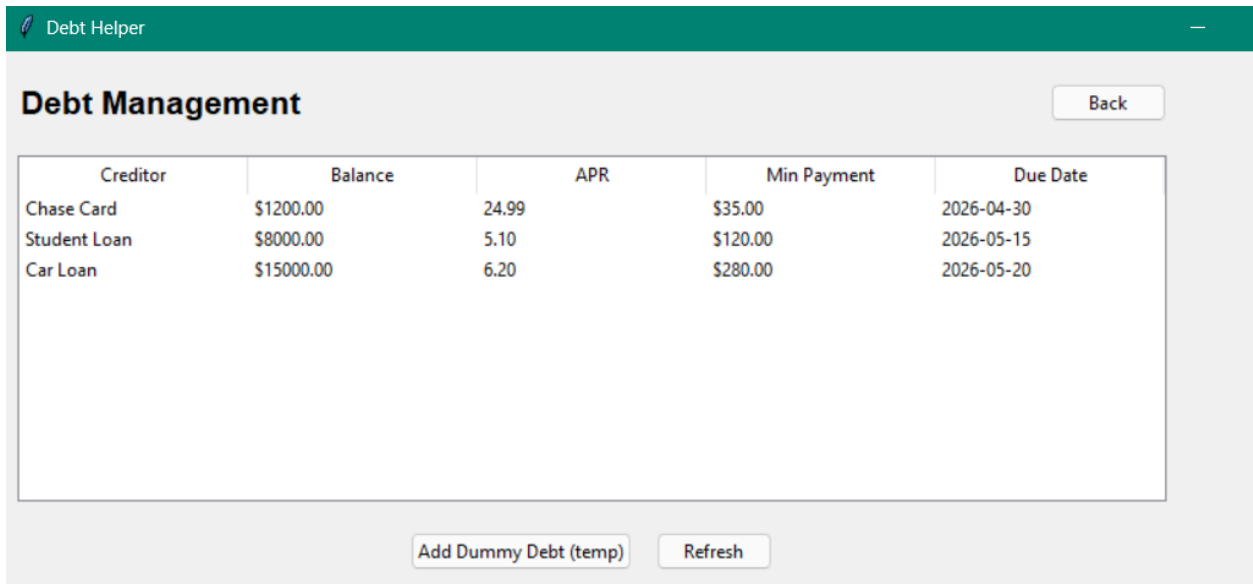

Log In and land on the Dashboard:

Import CSV (using sample csv in project folder):

Click “View Debts” button to access “Debt Management” page:

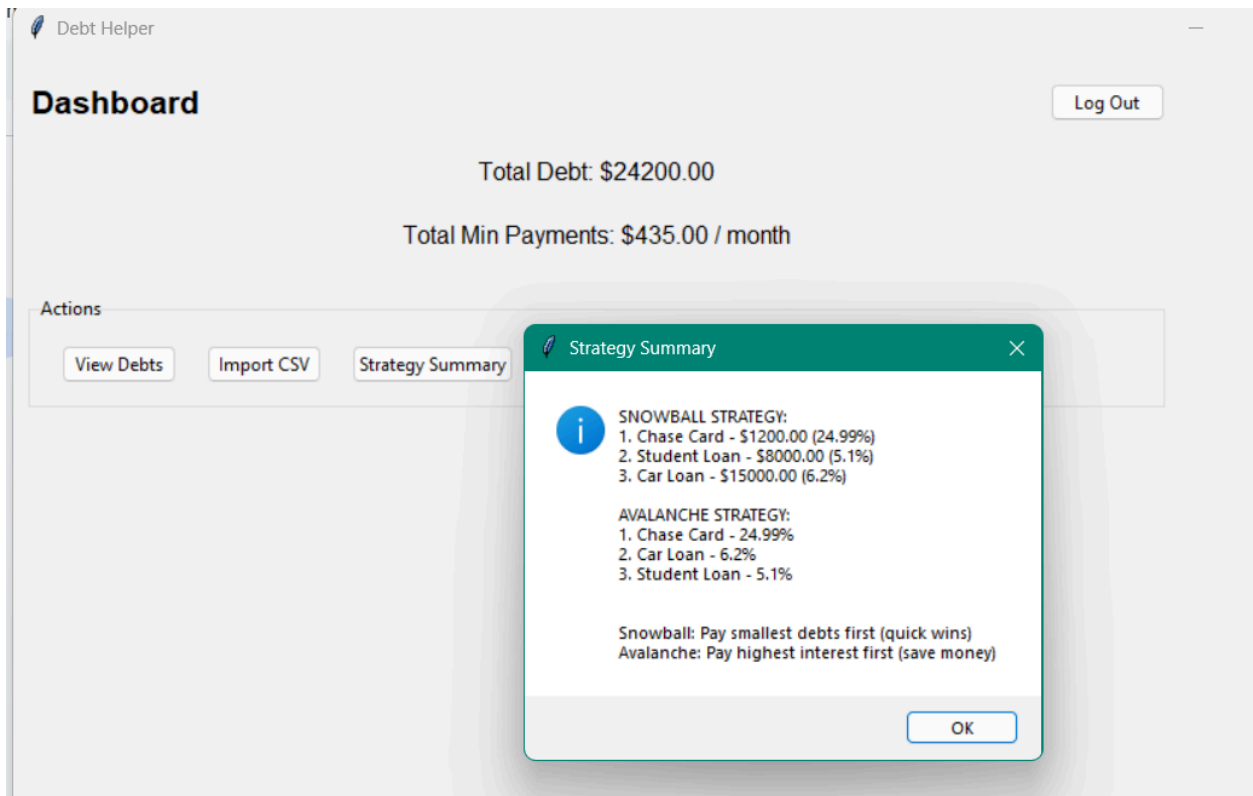

The screenshot shows the 'Debt Management' page of the 'Debt Helper' application. At the top, there is a green header bar with the text 'Debt Helper' and a minus sign icon. Below the header, the page title 'Debt Management' is displayed in bold, followed by a 'Back' button. The main content area features a table with five columns: 'Creditor', 'Balance', 'APR', 'Min Payment', and 'Due Date'. The table lists three debts: 'Chase Card' with a balance of \$1200.00 and APR of 24.99, 'Student Loan' with a balance of \$8000.00 and APR of 5.10, and 'Car Loan' with a balance of \$15000.00 and APR of 6.20. Below the table, there are two buttons: 'Add Dummy Debt (temp)' and 'Refresh'.

Creditor	Balance	APR	Min Payment	Due Date
Chase Card	\$1200.00	24.99	\$35.00	2026-04-30
Student Loan	\$8000.00	5.10	\$120.00	2026-05-15
Car Loan	\$15000.00	6.20	\$280.00	2026-05-20

Buttons: Add Dummy Debt (temp), Refresh

Click “Strategy Summary” to access pop-up window for strategy:

The screenshot shows the 'Dashboard' page of the 'Debt Helper' application. At the top, there is a green header bar with the text 'Debt Helper' and a minus sign icon. Below the header, the page title 'Dashboard' is displayed in bold, followed by a 'Log Out' button. The main content area shows the 'Total Debt: \$24200.00' and 'Total Min Payments: \$435.00 / month'. Below this, there is an 'Actions' section with three buttons: 'View Debts', 'Import CSV', and 'Strategy Summary'. The 'Strategy Summary' button is highlighted, and a pop-up window titled 'Strategy Summary' is open. The pop-up window contains information about two debt repayment strategies: 'SNOWBALL STRATEGY' and 'AVALANCHE STRATEGY'. The 'SNOWBALL STRATEGY' lists the debts in order of smallest balance to largest: Chase Card (\$1200.00, 24.99%), Student Loan (\$8000.00, 5.1%), and Car Loan (\$15000.00, 6.2%). The 'AVALANCHE STRATEGY' lists the debts in order of highest interest rate to lowest: Chase Card (24.99%), Car Loan (6.2%), and Student Loan (5.1%). The pop-up window also includes a brief explanation of each strategy: 'Snowball: Pay smallest debts first (quick wins)' and 'Avalanche: Pay highest interest first (save money)'. An 'OK' button is located at the bottom right of the pop-up window.
